

PEACE MESSAGE SENT BY WOMEN

Federation of Women's Clubs Urges President to Aid Peace Move.

Las Cruces, N. M., Nov. 8.—(Dona Ana club women, at a meeting of the Federation of Women's clubs, held at Canutillo, sent a telegram to president Wilson urging him to do all in his power to further the movement for international peace.

The resolution authorizing the sending of the message to the president, was adopted following an address on peace, delivered by Mrs. George Prenter, Mrs. Prenter announced that the Dona Ana Federation is the second in New Mexico to take action in favor of international peace.

The Peace Telegram. The telegram urging president Wilson to call a peace conference of neutral nations, sent by Las Cruces citizens, was as follows:

"Citizens of Las Cruces respectfully urge you to cooperate with other neutral governments in calling conference of neutral nations, which would constitute a voluntary court of continuous mediation, invite suggestions for settlement from warring nations, and in any case submit simultaneously to all of them reasonable proposals as a basis for peace."

The Aladdin club was host for the Federation at Canutillo for the November meetings, the sessions being held in the school house.

GET RID OF HUMORS AND AVOID DISEASE

Humors in the blood cause internal derangements that affect the whole system, as well as pimples, boils and other eruptions. They affect all the organs and functions, membrane and tissues, and are the primary cause of the readiness with which some people contract disease.

For forty years Hood's Sarsaparilla has been more successful than any other medicine in expelling humors and removing their inward and outward effects. It is distinguished for its thoroughness in purifying the blood, which it enriches and invigorates. No other medicine acts like it, for no medicine is like it.

Get Hood's Sarsaparilla today. Insist on having Hood's—Adv. reminder.

Boy By Day and Girl At Night, Phoenix Youth Is Puzzle Until Arrested

Phoenix, Ariz., Nov. 8.—One of the strangest cases that has come to the attention of the Phoenix police that of a boy by day and a girl at night, who for several weeks was a boy by day and a fashionably dressed, attractive girl at night.

An adobe building just outside the city limits where Clark made his home, was raided. There a quantity of goods alleged to have been stolen and several complete outfits of feminine apparel were found. When arrested Clark is alleged to have told an astounding story of how he had masqueraded as a girl. Lovelock seams had covered him to dimes, picture shows and other places of amusement, and he was tentatively engaged to several of his admirers. It is claimed.

This Is a Store You Can Depend Upon

In olden days the stores in the old world had a sign over their doorways reading, "Caveat Emptor," meaning "the buyer beware."

In those days a customer entered a store or shop always on guard. It was a case of "be careful or you will be cheated," and "buy with your eyes wide open."

This store does business on a different principle. We say "if you can't come to make a purchase, send your little, toddling child—either of you will receive the same value and the same courteous attention." Merely because you send your child you need have no uneasiness that the child will receive something which you would not have taken. And, if, perchance the child does purchase an article which does not suit you, remember you are at liberty to return the item and get immediate return of your money.

We want you always to remember that this is a safe store, a reliable store, a store you can depend upon—in season and out of season.
